

Ref. : 269455  
Gencod 3476062694551 / Weight 1.087 kg  
PCB : 1 / Professions : Tiler

## CORDLESS ELECTRIC SUCTION CUP

Double lip.  
Automatic on/off function : the pump stops when the required pressure is reached (-450 mmHg).  
Automatic pressure regulation : if pressure drops below -350 mmHg, the pump switches on and draws vacuum again until -450 mmHg is reached.  
Equipped with a gauge to check the pressure = safety and reliability.  
Double-click ON/OFF button to release pressure and tab for easy removal.  
Non-slip handle.  
For smooth and rough surfaces.  
Carrying case and protective cover included.  
CE certified.

Specifications :  
Diameter : 198 mm.  
Handle length : 110 mm.  
Net weight : 0.922 kg.  
Max. capacity : 130 kg.  
Built-in battery : 3.7 V - 900 mAh Li-ion.  
Rated power : 3 W.  
Autonomy : approx. 8 h.  
Charging cable : USB C.  
Charging time : 2 h.
