

Ref. : 269455
Gencod 3476062694551 / Weight 1.087 kg
PCB : 1 / Professions : Tiler

CORDLESS ELECTRIC SUCTION CUP

Double lip.
Automatic on/off function : the pump stops when the required pressure is reached (-450 mmHg).
Automatic pressure regulation : if pressure drops below -350 mmHg, the pump switches on and draws vacuum again until -450 mmHg is reached.
Equipped with a gauge to check the pressure = safety and reliability.
Double-click ON/OFF button to release pressure and tab for easy removal.
Non-slip handle.
For smooth and rough surfaces.
Carrying case and protective cover included.
CE certified.

Specifications :
Diameter : 198 mm.
Handle length : 110 mm.
Net weight : 0.922 kg.
Max. capacity : 130 kg.
Built-in battery : 3.7 V - 900 mAh Li-ion.
Rated power : 3 W.
Autonomy : approx. 8 h.
Charging cable : USB C.
Charging time : 2 h.
