

CORDLESS ELECTRIC SUCTION CUP

Ref. : 269655
Gencod 3476062696555
UPC: 1

Double lip.
Digital display and pressure gauge for pressure control = safety and reliability.
Built-in circular spirit level for easier positioning and improved accuracy.
Automatic on/off function : the pump stops when the required pressure is reached. The display then shows 200 kg and the pressure gauge -0,7 bar.
Automatic pressure regulation : below 160 kg or -0,4 bar, the pump switches on and draws vacuum again until 200 kg or -0,7 bar is reached.
Double-click ON/OFF button to release pressure and tab for easy removal.
For smooth and rough surfaces.
Carrying case and protective cover included.
CE certified.

Specifications :
